ADITYA N POOJARI

Computer Science Engineering Student | Specializing in AI & ML

Email: adityanpoojari9@gmail.com | Phone: +91 94809 50454 | Mangaluru, Karnataka, India
GitHub: github.com/adityanpoojari | LinkedIn: linkedin.com/in/aditya-n-poojari

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science & Engineering (AI & ML)
AJ Institute of Engineering and Technology (AJIET), Mangaluru
Period: Sep 2024 - Aug 2028 | Focus: AI & ML, Algorithms, Data Structures, DBMS

TECHNICAL SKILLS

Programming Languages: Python, C

Web Technologies: HTML5, CSS3

Databases & Systems: MySQL, Database Management Systems (DBMS)

PROJECTS

1. CareerAI - AI Career & Interview Preparation Platform

GitHub: github.com/adityanpoojari/CareerAI
- Features coding practice, AI interview simulations, analytics dashboard, and resume review.
- Tech: Python, AI/ML, Full Stack, MySQL

2. PathForgeAI - AI-Powered Learning Path Generator

GitHub: github.com/adityanpoojari
- Translates tech skills into customized, step-by-step learning roadmaps with milestones.
- Tech: Generative AI, Python, Learning Architecture
